Satellite Committee

Services Division

(Meeting of 5 December 1956)

25X1A9a

Mr. [REDACTED] (S/TF) discussed the role of the Satellites in East-West strategic commodity trade.

The Satellite linguistic service provided by FDO is now in operation. The service will provide for Polish translations on Wednesdays, Czechoslovakian and Hungarian on alternate Fridays. This service will be available in 1430 M Building.

25X1A9a

At the meeting on 12 December, [REDACTED] (S/COM) will discuss telecommunications in the Satellites. The meeting will be held at 1:30 behind the barrier in 1125 M.
